Yesterday, the king wanted some apples.
Prince Tom wanted to help him. Prince Tom
packed some sandwiches and walked to the
forest. In the forest, there was a dragon behind
the smoke. It was loud and strong.

Prince Tom was not afraid. The dragon was
nice. It picked some apples for Prince Tom.
Prince Tom shared the sandwiches with the
dragon. Prince Tom returned to the castle.
The king was happy because Prince Tom picked
some apples for him.
