Hello everyone, my name is Athena, and today I want to introduce you to my best friend, Charlotte.

Charlotte is ten years old. She lives near the school. She looks beautiful and pretty, and she has long black hair, but she is short. She is a little bit naughty and careless. 'Where is my homework?' she always asks me.

She likes to eat seaweed and fruit. She likes to share ^(with) with me, I also like to share things with her too! She likes sports, and her favourite is running. She runs very fast, so fast that I can ^(barely) barely see her. She doesn't like basketball because she is bad at it, and so am I. ^(is)

If you want me to describe my friend, I would say she is kind and friendly. She goes to Kam Kong Primary School with me every day. She likes math because she is good at it, and she always scores one hundred marks! At school, she is a monitor!

I hope you got to know my best friend, Charlotte, better. Thank you for listening!

Excellent!
