Hello everyone, my name is Athena, and today I want to introduce you to my best friend, Charlotte.

Charlotte is ten years old. She lives near the school. She looks beautiful and pretty, and she has long black hair, but she is short. She is a ^(little) little bit naughty and careless. 'Where is my homework?' she always asks me.

She likes to eat seaweed and fruit. She likes to share ^(with) with me, I also like to share things with her too! She likes sports, and her favourite is running. She runs very fast, so fast that I can ^(barely) barely see her. She doesn't like basketball because she is bad at it, and so am I. ^(is)

If you want me to describe my friend, I would say she is kind and friendly. She goes to Kam Kong Primary School with me every day. She likes math because she is good at it, and she always scores one hundred marks! At school, she is a monitor!

I hope you got to know my best friend, Charlotte, better. Thank you for listening!

Excellent!

Writing Task 2

Date: 7th November, 2025

Use the planning pages to write your speech.

Hello everyone, my name is Ocean and today I want to introduce you to my friend Kobe.

Kobe is eleven years old, and he lives near the park. He is taller than me, and he is thin. He always wears glasses and a white T-shirt. His favourite subject at school is PE because he likes running and playing ball sports, and he is lively and active.

We are friends because we have a common interest. It is playing basketball. We always play basketball together. We always send messages to each other to play basketball.

I am happy because I could meet a friend, and we have a common interest.

(Thank you for listening to my presentation.)

Thank people at the end. This is a presentation. i
