

## Writing Task 2

Date: 25th November, 2025

Write the letter to your friend about your trip to the cinema. Use paragraphing and also ask questions! E.g. What did you do last weekend?

Dear Peggy,

How are you? Last Saturday I went to the cinema with my friend Summer after the assessment. We chose a comedy because it made us relaxed and laugh. We bought popcorn and drinks after buying the tickets. We felt excited and happy. When we were watching the film, a phone rang suddenly. A man who was sitting next to me answered the call. He talked loudly on the phone and did not stop. It was so disturbing. Many people stared at him.

I couldn't stand it and asked the man to hang up the call. It was so annoying. He ignored me and scuffed at my complaint. Then, I complained to the cinema staff. He asked the man to leave the cinema. The man was ashamed and left, so everyone could enjoy the film without interruptions.

Love,  
Angie
